Laguna Woods Democratic Club - Confidentiality Statement

Welcome to the Club. Regarding the use of your personal information, it will be safeguarded by the Club but may be used for the following limited reasons, listed below, which your acceptance of membership allows.

1. The Club may use your mailing and/or e-mail address to send you Club newsletters, Club election materials, and other notices of Club business and meetings.
2. Club Committee Chairs may access the Club membership roster to perform their duties.
3. We send lists of our Regular Members (vetted as registered Democrats) to the Democratic Party of Orange County (DPOC), which chartered the Club, to the California Democratic Party (CDP) for pre-endorsement purposes, and to the California Democratic Council (CDC), as their requirements ask that we prove our membership. We send lists of all our members to the Golden Rain Foundation (GRF) of Laguna Woods Village to comply with their requirements for Village clubs; that list does not contain political affiliation or e-mail addresses.
4. By law, the Club is a PAC (political action committee), so the California (FPPC) and U.S. (FEC) election agencies require information for members whose annual dues, plus any gifts or donations, exceed certain minimums. Dues alone are below this minimum. The Club will track all dues and gifts and report data only as required.
5. The Club may e-mail vital legislative action, election alerts, and information on Democratic events to those using e-mail but will not abuse the privilege. Please enter lwdemoclub@yahoo.com into your e-mail address book. Newsletters are distributed from lwvdemocrats@yahoo.com; this e-mail account is only used for newsletter distribution to those who receive them by e-mail; please also add this address into your address book.
6. **If you do not wish to be listed on any Club roster (other than for use by our board of directors), initial here []**
